

FIND THE RIGHT MEDIA CREATOR

7 questions you should be asking a
Photographer/Videographer before hiring them

- How do you price your services?
- Can the photos be printed or can the video be put on a disk or thumb drive?
- How many photos will be received and/or how long will the video be?
- When is the payment due?
- Is a deposit required and if so how much?
- How long will the turn around be?
- Can adjustments be made to the final product?
